NOTE FOR: DCI

Judge:

Enclosed are two inscription boards for the Presidential portraits in the DCI Conference Room and the corridor Presidential Gallery (photo included). I have attached as well a list of previous inscriptions although I'm sure the President needs no coaching.

Rae:

Per our discussion this morning, attached are the two cardboard inserts that go with each Bush photograph, as well as a photo of the "Presidential Gallery" downstairs on the first floor (by the yellow elevators). I've also included a copy of the memo [redacted] (the DCI's secretary at EOB) sent to the White House a couple months ago to try and get these inscribed -- without success.

Please call if I can help further on this.

Thanks.

MEMORANDUM FOR: Mary Ingals
Correspondence Office

SUBJECT: Presidential Inscriptions

In our previous conversation I mentioned to you that CIA has two locations where the President's inscribed photograph is prominently displayed.

Our photo office has obtained two copies of the President's official photo from GPO, and our Protocol Branch has asked my help in obtaining the signature of the President on the enclosed two labeled cards for placing in the frames with the photographs:

1. An inscription for our "Presidential Corridor." Since its founding, each President has sent a message to the CIA-- see attachment. A couple of these may have been autopenned but we believe most are handwritten.
2. A signature only for the Director's Conference Room. An autopenned signature will be satisfactory.

I am sure President Bush is familiar with both of the above locations and photographs. We would be pleased with whatever way he chooses to inscribe these cards for his photograph.

Please let me know if this is not the proper format for a request of this kind, if it should be addressed to someone other than yourself, or if you have any questions. Thanks so much for your help.
